

ASSOCIATE PROFESSOR GERALD LIEW**MBBS, MMed, PhD, FRANZCO**

Associate Professor Gerald Liew (MBBS, MMed, PhD, FRANZCO) is an academic ophthalmologist specialising in retinal disorders such as diabetic retinopathy and macular degeneration. He works at Retina Associates (Liverpool, Chatswood, Norwest), Westmead Hospital and the Children's Hospital at Westmead, Sydney. His research interests include novel retinal imaging technologies for retinal diseases, and investigating new treatments for diabetic retinopathy and macular degeneration. To date he has co-authored over 130 peer reviewed publications on retinal imaging and retinal disorders.
